# **BY THE NUMBERS**

Fiscal Year 2021

## MISSION

The WSU Foundation believes in the power of education. Since 1965, we have worked to connect the students, faculty, and staff of Wichita State University with the resources they need to transform their communities.

## CORE VALUES

Our core values of integrity, teamwork, relationship and service are essential to everything we do. We work with hundreds of donors – alumni, businesses, foundations – who also want Wichita State to be the best it can be. We match their interests and passions with opportunities for support on campus.
