

What is Founders' Day of Giving?

Founders' Day is a 24-hour giving event for the entire Shocker community to come together and support the colleges, departments, programs, student organizations and teams they love.

How Matching Gifts Advance Wichita State

Matching gifts are one of the most effective ways to make an impact on Founders' Day. At its core, a matching gift is a pool of funds donated by a person or company that is intended to be used to double the amount raised for a program, academic college, or initiative at WSU. The additional incentive is sometimes exactly what supporters need to act on our day of giving.
